**Work Experience**    **Digital Products (Part of Accenture Interactive) | Product Designer**

SEPT. 2018 - PRESENT

Designed both customer and internal-facing digital experiences across multiple interfaces for clients including T-Mobile, Nike, Walmart, and Biogen. Delivered high-quality products to clients with timelines ranging from 3 week sprints to end-to-end design and development over the span of a year with full product teams. In addition to client work, also mentored a 10-week apprentice class. Tasks included facilitating mock-client meetings and providing weekly 1-on-1 feedback sessions.

**Tufts University | Interface Design Course Assistant**

JAN. 2021 - MAY 2021

Helped teach the Applied Interface Design course in the Human Factors Engineering department at Tufts. Facilitated in-class design workshops, graded weekly assignments and provided detailed feedback to 40+ undergrad and master's students.

**MMB | Junior Art Director**

SEPT. 2017 - SEPT. 2018

Various duties as an art director, UX/UI and graphic designer at full-service ad agency. Worked on social, print and digital for clients like Under Armour, Foster Grant, Toyota and Hannaford.

**Sleek Machine | Freelance Art Director & Graphic Designer**

SEPT. 2016 - AUG. 2017

Worked with the creative team as a UX designer, graphic designer and art director at a full-service ad agency. Clients included Boston Celtics, Autodesk, Tapco, Nic + Zoe and client pitches for Mini Cooper and SKYY Vodka.

**Internships | Product Designer & Art Director**

Involved in multiple internship programs including 10-week summer internships with Fidelity Investments UXD, Sapient Nitro and Connelly Partners. Programs included working on client work as well as an intern team project with a final deliverable at the end of the internship program.

**Education**    **Boston University**

BFA Graphic Design Class of 2017  
Minor in Mass Communications  
Venice, Italy Studio Arts Program, Spring 2015
